### **TO: Child Care Licensing Jurisdictions**

The purpose of this bulletin is to notify all Child Care Facilities of the recent addition of Senate Bill No. 27 stating an inclusion of required training for employees of Child Care facilities on child wellness and childhood obesity. These changes will come into effect July 1, 2011.

The Senate Bill requires that employees, who are already required to maintain 15 hours of training, dedicate at least 2 hours of the required 15 hours to lifelong wellness, health and safety of children and childhood obesity, nutrition and physical activity.
